ALL AMERICAN PET RESORTS TOWLES CLUB K9

because you care...[®]

OCTOBER 2017

Hello -

Here at All American Pet Resorts Towles Club K9, we are excited to discuss one of our favorite topics: treats! While treats out of a box work just fine for making your pets' tails wag, we all know that homemade food always tastes better. Why simply satisfy your furry family members when you can wow them?

Homemade dog and cat treats are not only delicious and easy to make, but feeding them to your pets can give you peace of mind. If your pet has an allergy or is on a vet recommended diet, you can customize the recipe to meet their specific needs. Here are five quick, easy recipes for some of our pets' favorite treats.
